

## ST. AIDAN'S HOLY NAME SOCIETY 2016 CHRISTMAS THEME POSTER CONTEST

### *“Keep Christ in Christmas”*

This year's submission of posters highlighting the theme *“Keep Christ in Christmas”* was a wonderful success. Our talented school-age children submitted beautiful and very unique posters, obviously spending a great deal of time drawing, coloring, cutting, pasting, sprinkling sparkles and, generally, doing a magnificent job. We received over seventy entries this year.

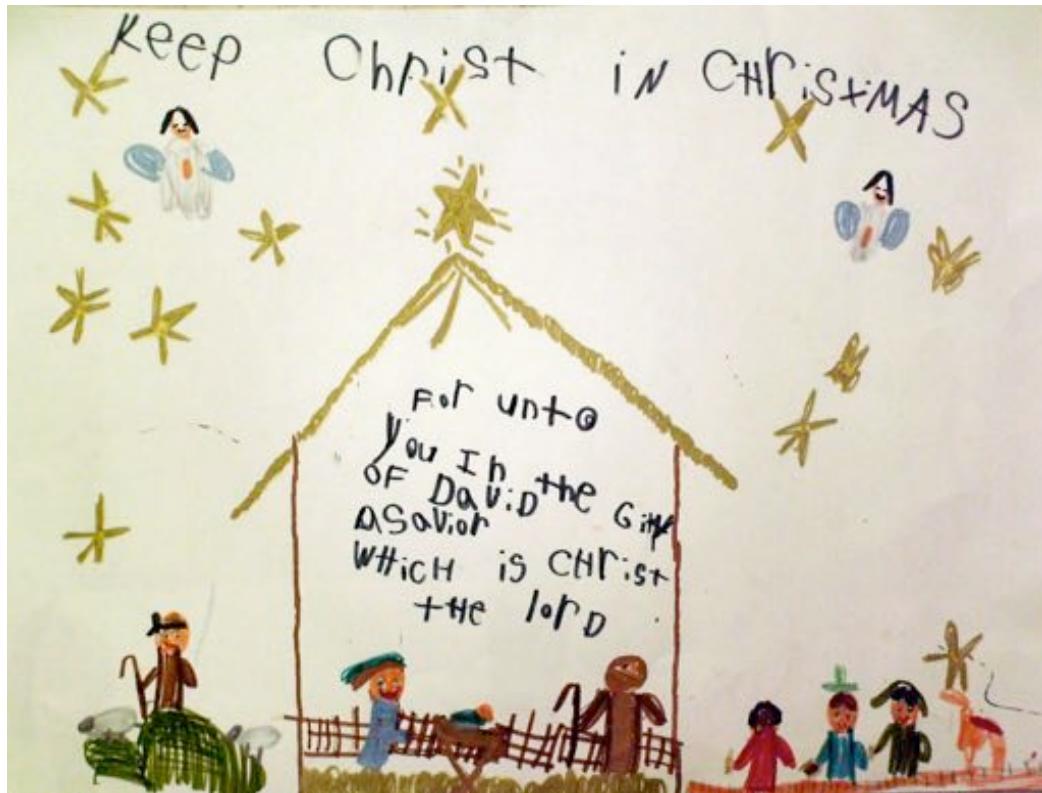

Thank you and congratulations to all of our 2016 contestants for a terrific job!

The Holy Name Society of St. Aidan's extends a special thank you to Ms. Eileen Oliver our parish school Principal, and Mrs. Elaine Smith, Director of Faith Formation for all of their help in coordinating and gathering the posters from the children. Thanks also to the Holy Name Society members who volunteered to judge these wonderful entries. It was a difficult process judging the many fine posters submitted to the Society this year. There were some real close calls evident in the number of students awarded an honorable mention.

After some serious judging we finally narrowed down the field of entries and selected a winner for each grade level, as well as the aforementioned honorable mentions. These students showed a special talent and deserve hearty congratulations for their first-rate artwork.
